

IGC Christmas Recreational & Beginner Competition Programme

Sunday 10th December 2023 - Inverness Royal Academy Sports Centre

Our annual Christmas Competition provides the opportunity for our gymnasts within our programme of beginner and recreational classes to compete in a friendly environment, demonstrating some of the skills they have been working on through the year, and for some, gaining their first experience of a gymnastics competition.

Gymnasts will perform on Floor and Vault, with medals awarded for each age group through the day. For the younger age groups, the gymnasts work to a set routine, with the older gymnasts given the opportunity to develop their own from a set list of skills. We ask that you – parents, friends and family – show your support for all of our entrants throughout the day, helping to make this a positive experience for all of our gymnasts regardless of medals or placings. We are sure you will agree that they have all worked hard and it is great to see their achievement from their regular classes.

Please remember to support our fundraising efforts - Entry to this event helps to support the purchase of equipment for classes across our venues and the development of our coaching team.
